

BUCKLER'S HARD HOSPITALITY BROCHURE

January 2026

Welcome to our Hospitality Brochure

The catering team recognise that it is important to have hospitality tailored to your needs.

We have designed this brochure as a guide to the services we can provide.

We would be delighted to meet with you to discuss your requirements, please feel free to arrange an appointment with us so we can discuss in more detail.

As you will see this brochure covers all your hospitality needs and has a wide range of offers from day-to-day meetings through to event catering from which you can select.

We prepare our food in our kitchens every day. We use many ingredients and shared equipment, and whilst we do our best to manage allergens, we cannot guarantee that any of our food or hot drinks are allergen-free or suitable for those with allergies due to the risk of cross-contamination. We do not have dedicated preparation or cooking areas within our kitchen for vegetarian, vegan or gluten free food.

Please contact us if you have any special dietary requirements.

Menus may be subject to change due to availability of ingredients.
